The Biggest Developer Conf.

in Andhra Pradesh is back, bigger, better!

4-5 July 2026 | GITAM (Deemed to be University)

About WoW

Wonder of Wonders

GDSC (Wonder of Wonders), aka GDSC WOW, is India's biggest student-run tech festival that brings together 20,000+ students from 500+ universities across the country for a massive celebration of technology and innovation.

Google Developer Groups On Campus

Community groups for undergraduate or graduate students interested in Google developer technologies or growing as a developer. By joining us, students grow their knowledge in a peer-to-peer learning environment and build solutions for their community.

In the past

DSC OMG

India's biggest student-run annual tech festival that brings together **20,000+** students from **500+** universities across the country for a massive celebration of technology and innovation, marking the end of the GDSC chapter tenure.

Google Developer Student Clubs

What's Unique?

All the GDSC's from AP hosts an annual WoW fest that reflects the needs, orientation and aptitude of the community, empowering enabling and encouraging them to **LEARN, SHARE, COLLABORATE** and take up challenging opportunities for the future.

For Students

Tools, technologies, resources and Inspiring success stories from local and glocal influencers

Wide and Vast

Covers multiple topics; developer tools and open source technologies

By Google

Powered by Google product teams and the GDG program, where experts from Google come to deliver talks

Bigger, Better, Frenzier

Annual event for state's student ecosystem, which motivates tech geeks to solve for problems around us

Wonder Of Wonders

Google Developer Student Clubs

Key Highlights

First of its kind in Andhra Pradesh

A great experience just for students that enables and empowers them for the future

Product showcase booth, job spaces too

Get inspired to use Google technologies. Search for open source projects, learn from other developers, and submit your latest projects.

For the **students**,
By the **students**,
Of the **students**.

Tracks

The idea is to bring together the world class experts in **Artificial Intelligence, Design, Android, Flutter, Web, Machine Learning, Cloud technologies** and much more for a week of sessions, workshops and showcases.

The Impact

- Stood out as a central hub for learning, trying out ideas, sharing and collaboration from across colleges and industry.
- Enabled learning as a community, on latest tech, for FREE.
- Talks by industry leaders who are hands on and experienced beyond academia.
- Encouraging community and members to work on real time projects and ideas

- Increased the Women Participation by focusing on Diversity & Inclusion
- A sisterhood of empathising with community during pandemic
- Sharing of opportunities, internships and best practices
- Provided speaking opportunities to many first timers who wanted to share their expertise

Here's how we pulled it last year

What's it in for you?

With 3000+ attendees, WoW 2026 Vizag is going to be the biggest we have ever conducted. You will get to connect with a healthy mix of early, intermediary and expert level developers from across the state.

Sponsoring us will enable you in enhancing your brand publicity, product showcase and give you an opportunity to meet enthusiastic and curious developers and students from around the state.

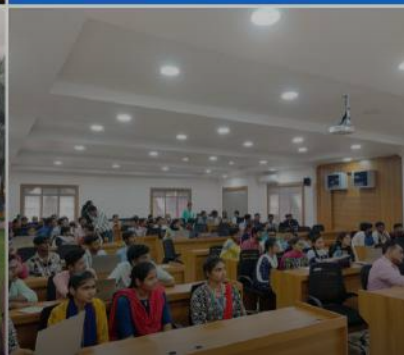

DSC Andhra Pradesh '24 highlights

This year's student clubs built lots of excitement. Check out photos from featured talks, hands-on learning sessions, and after-hours fun.
