GDG On Campus presents

Wonder of Wonders

The Biggest Developer Conference

in Andhra Pradesh is back, bigger, better!

28-29th June 2025 | GITAM (Deemed to be University)

wow.vizag.dev

Google Developer Groups

On Campus

Community groups for undergraduate or graduate students interested in Google developer technologies or growing as a developer

By joining us, students grow their knowledge in a peer-to-peer learning environment and build solutions for their community.

In the past

DSC OMG

India's biggest student-run annual tech festival that brings together **20,000+** students from **500+** universities across the country for a massive celebration of technology and innovation, marking the end of the GDSC chapter tenure.

GDG on Campus
Wonder of Wonders

AP edition

Google Developer Groups on Campus

Tracks

The idea is to bring together the world class experts in **Artificial Intelligence, Design, Android, Flutter, Web, Machine Learning, Cloud technologies** and much more for a week of sessions, workshops and showcases.

Key Highlights

For the **students**,
By the **students**,
Of the **students**.

~ the wow team

First of its kind in Andhra Pradesh

A great experience just for students that enables and empowers them for the future

Product showcase booth, job spaces too

Get inspired to use Google technologies. Search for open source projects, learn from other developers, and submit your latest projects.

24 hour Hackathon

It's like a marathon, but with more caffeine and fewer naps. Let us build until our laptops cry for mercy!

Key Highlights

Ain't just a tech fest!

Enjoy engaging tech talks, hands-on workshops, fun icebreakers, arcades, exciting hackathons, explore wide range of stalls, complimentary food and DJ too!

Goodies and Badges

Unlock achievements and earn badges through games, sessions, and hackathons, then redeem for virtual cash and exclusive rewards during the event!

Networking and 1-1 Mentorship

Network with peers from institutions across India and get a chance to have a 1-1 mentoring session with Google Developer Experts and experienced speakers.

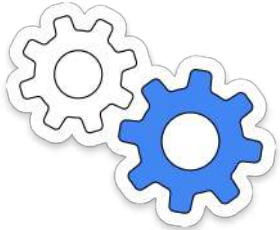
Attendees

#WOW21

Highlights

Highlights from last year

The Impact



Comprehensive learning

Stood out as a central hub for learning with talks by industry leaders who are hands on and experienced beyond academia.

Incubation of ideas

Trying out ideas, sharing and collaboration from across colleges and industry to realize and work on community-driven solutions.

Networking across the nation

Sharing of opportunities, internships and best practices

Opportunities

Provided speaking opportunities to many first timers who wanted to share their expertise
